Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli).

**One Day Online Workshop on
'DISASTER MANAGEMENT'**

Organized by
Department of NCC & Sports

Date: 18/06/2021

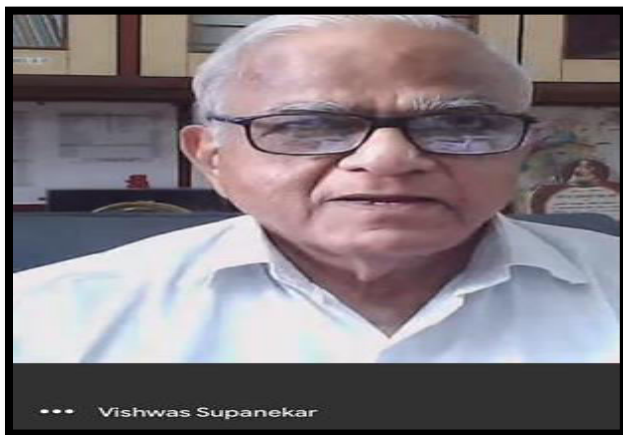

An online workshop on '**Disaster Management**' was organized by the Department of NCC and Sports of Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli) on Friday, 18th June, 2021. For this workshop we had Col. V. N. Supnekar, (Director of Disaster Management Cell at Pune-based Center for Disaster Management YASHADA, Pune). He guided and spoke on basic skills necessary for Disaster Management. He said, "India is constantly facing natural disasters. Droughts, tsunamis, landslides, volcanoes, floods, accidents, etc., are facing huge human and financial losses. Therefore, in order to protect the nation from these natural and man-made disasters in the years to come, there is a need to develop skills in disaster management among the youth". He further said, "In times of crisis, obedience alone does not help the youth to help the victims. We are not taught in schools and colleges how to help a person in distress in a time of disaster which is a huge loss for our nation".

This workshop was successfully organized under the chairmanship of Dr. L.D. Kadam, Principal of the College. At this time, Dr. L.D. Kadam also opined that catastrophic precautions need to be taken rather than post-disaster measures. Lieutenant Sandesh Daunde, Head of the Department welcomed and introduced the theme of the workshop to the participants. Vote of Thanks offered by Dhanesh Gawari and compering was done by Dr. Tejas Chavan.

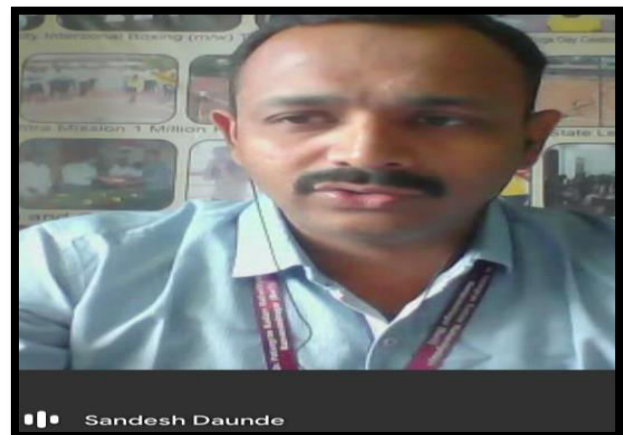

Outcomes:

1. Created social awareness about Disaster Management.
2. Convinced the importance first aid as basic skill in Disaster Management.

Beneficiaries: 102
