ANNUAL REPORT (2019 2020)**

The college is situated in rural background most student's community are from socioeconomically deferred society. The parents are mostly belonging to farmers and labourers community. To enrich the soil profile the IQAC of the college and our department have planned to run this course, which will increase the awareness amongst the farmers towards organic farming and will reduce the dependence on chemical fertilizers & pesticides. In turn the soil profile will increase and give more yield of the crops.

The said course is affiliated to Rayat Shikshan Sanstha, Satara. All the B.Sc. III students are enrolled to the said course. All the students have satisfactorily completed the course.
