**A Report of Visit to Agricultural Exhibition**

**Date: 29/10/2018**

A visit was held to the Agricultural Exhibition organized by Krantiagrani Dr. G.D. Bapu Lad Sugar Factory, Kundal, at-Palus, Dist-Sangli for the students by the Department of Botany. The exhibition was full of farmers oriented diverse range of products which help students to know more about the services provided by the farmers which actually help students to imply their subject knowledge into the agricultural field.

**Outcomes:** 1. Students from farming background got to learn new methods of farming.

2. This exhibition created interest in the student for advanced agriculture techniques.

**Beneficiaries:** Students of the Department=45
