Academic Extension Activity: Joyful English (2019-20)

REPORT

To conduct academic extension activities is the social responsibility of the educational institutions. The department of English conducted the academic extension activity at ZP Primary School No.3 Ramanandnagar(Burli) for teaching English grammar and vocabulary to the primary students through joyful teaching and learning. The vocabulary and grammar based activities were planned and executed by the teachers and students of Department of English. The activity Joyful English was conducted on each Saturday at ZP School No.3 Ramanandnagar from December 2019 to February 2020 between 10:00a.m. to 11:00 a.m. by teachers and students. There are four classes from first standard to fourth standard. The development of the students was measured through oral test by the end of the activity in February 2020.

Outcomes:

1. Involvement of College teachers and students in society and inculcation of awareness of social responsibility
2. Improvement of basic English grammar and vocabulary of primary students.

Beneficiaries:70 students

Teachers and students participated:10
