VALUE ADDED COURSE

Experiential Feelings

I am glad to express my personal opinion and feelings about planning and implementation of the VALUE ADDED COURSE committee. This committee helped to improve annual planning and activities of the department. Annual plan of the committee resulted beneficial to all the students to progress of the college and themselves. Contribution of the students found helpful to determine the future plan and implementation of such activities. Such activities should be conducted in the department.

A Report On Value Added Course “ Understanding Fast English”

The curriculum of the university is not sufficient to develop the skills of the students. It is needed to prepare the students for better opportunities. The Department of English has arranged the value Added Course “Understanding Fast English” for the class BA-III (English) to develop the listening, speaking, writing & reading skill of the students. It will acquaint student with other color of language and heighten the aesthetic attitude to towards the literature. It begins in the month of August, 2019. It includes the 30 lectures. The total of number of students is ten who enrolled for this course. Beside, the regular teaching the audio lectures, audio-video lectures are arranged for students to develop their listening skill.

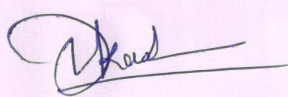

The number of beneficiaries: 10.

The course outcome: To enable students the listening, speaking, writing & reading in English properly.
