World AIDS day
Wednesday, 1 December 2021.

Report

The World AIDS day was organised by Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burlī) on Wednesday, December 1, 2021 at 9:00 AM in the seminar hall. As a chief guest at the event, DR. Manisha Sawant was present with her fellow health workers. She said that AIDS Day has been observed since December 1, 1988. She's told the causes of spread of diseases AIDS e.g. unsafe sex, use of contaminated needles and mother-to-child transmission. It is said that populations in the 15-49 age group are vulnerable and it is the strength of the nation and therefore there is a need to create awareness among people. She said that the government of India helps people affected due to AIDS.

Hon'ble Principal of this College Dr. L. D. Kadam, who presided over the program said that there is a need to take care in today's time of global pandemic especially covid-19. He also explains that there is a need to take care about AIDS in today's time.

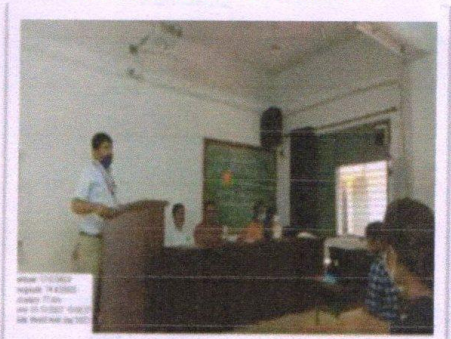

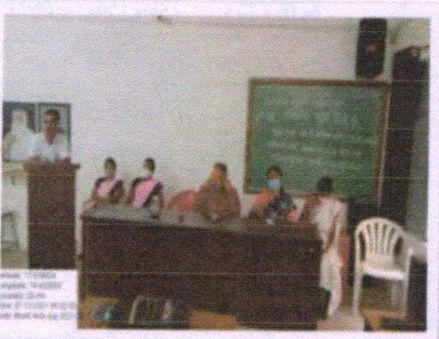

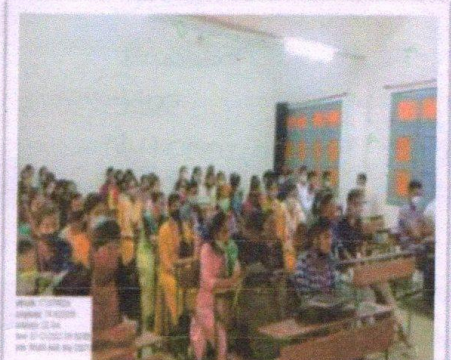

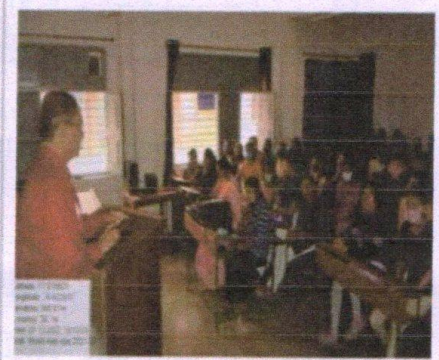

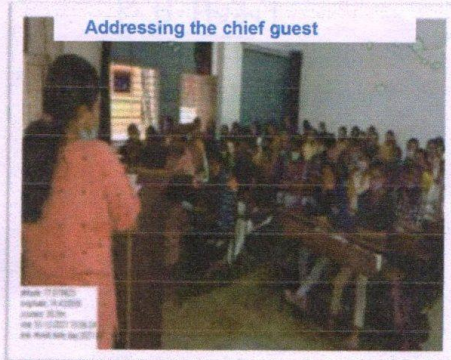

Dr. Kakasaheb Bhosale, Sangli District Sub-Divisional Program Officer of NSS, introduced the program. The program was moderated by Dr. Sachin Chavan, Head, and Department of Political Science. The programme was shooted by Prof. Dr. Ashok Khade a programme officer of NSS unit of the college. The majority of the volunteers were present at the time.

Beneficiaries: 65

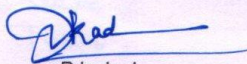

Outcomes: 1) World AIDS day is celebrated.

2) Students and NSS volunteers got knowledge about the AIDS disease.
