“TWO WEEKS ONLINE LECTURE SERIES FOR POST GRADUATE STUDENTS”

Date: 25th June 2021 to 3rd JULY 2021

ONLINE LECTURE SERIES REPORT

Department of Chemistry Dr. Patangrao Kadam Mahavidyalaya Ramanandnagar (Burl), organized “TWO WEEKS ONLINE LECTURE SERIES FOR POST GRADUATE STUDENTS” on topics Electrochemistry & Chromatography techniques from 25th June 2021 to 3rd July 2021 on google meet platform. The participants attended this lecture series were PG students from various colleges of Shivaji University, Kolhapur. The main purpose of this online lecture series was to pursue the knowledge of chemistry from subject experts for their academics.

The inaugural function has started at 11.30 a.m. by paying floral tribute to the founder of Rayat Shikshan Sanstha's Late Padmabhushan Dr. Karmaveer Bhaurao Patil. The Chief Guest for the Inaugural function was **Dr. A. A. Ghanwat**, Associate Professor, Punyashlok Ahilyadevi Holkar Solapur University, Solapur. The President for the Inaugural Function was **Hon. Principal Dr. V. P. Ubale**, Dayanand College of Art & Science, Solapur. All of them provided informative encouragement to the students about the skills and employment opportunities required for their career in Chemistry.

Dr. V .B. Patil Vice principal & Head of Department of Chemistry, introduced the program. He gave information department of Chemistry & facilities provided by college to our PG students. The welcome and introductory speech was delivered by **Prof. Dr. P. B. Piste** Coordinator of M.Sc. The **Hon. Principal Dr. L. D. Kadam** delivered his principal address. He explained main motto of this lecture series to inspired students to get more Knowledge of Chemistry from Experienced teachers for their career building. **Mr. U. S. Shelke** expressed vote of thanks of inaugural function.

The **session I** of topic Electrochemistry was delivered by Dr. **B. S. Shinde**, Karmveer Bhaurao Patil College, Vashi- Mumbai. He explained all the concepts, importants & modern aspects of Electrochemistry. The **session II** of GC & HPLC topic was delivered by **Dr. N. D. Desai**, R.B.N.B.

College, Shirampur. She mainly focused on instrumentation, handling & uses of GC & HPLC techniques in industries. This lecture series was continued till last day.

On last day students expressed their experience about this lecture series. They talked about importance of this knowledge given by resource persons and they expressed their vote of thanks for organizing such programs for them.

This whole program was conducted under the guidance of **Hon. Principal Dr. L. D. Kadam** also **Dr. V .B. Patil** Vice principal & Head of Department of Chemistry, leaded & encouraged for this event. This function got grand success due to involvement of organizing committee.

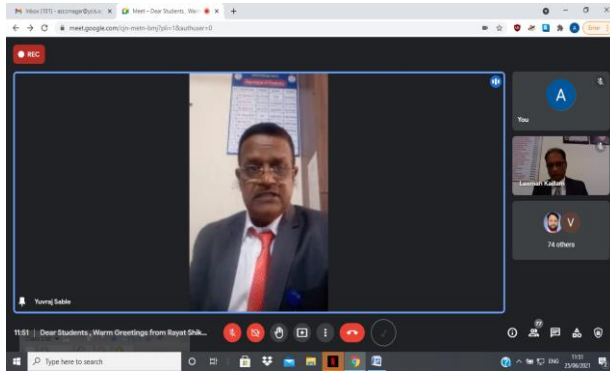

Lastly, we received feedback forms from participants. 99% have given positive response that it was excellent & through this lecture series they have learned about two important topics of Chemistry which will be very useful for their career. The E-Certificates were sent to all the participants on their Email.

Total No. of Beneficiaries-48

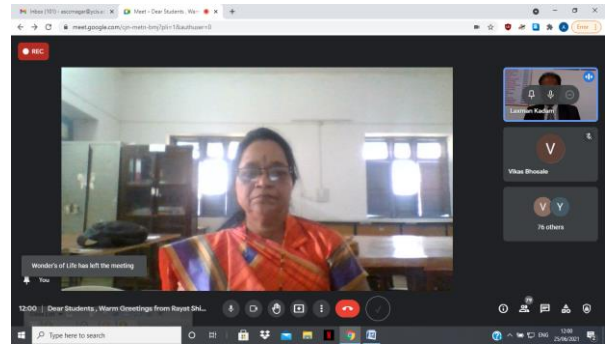

Outcomes

- 1) Students got knowledge of both the topics electrochemistry & GC-HPLC.
- 2) Students are aware about career Opportunities after M.Sc.

Introductory Speech By Dr. V. B.Patil

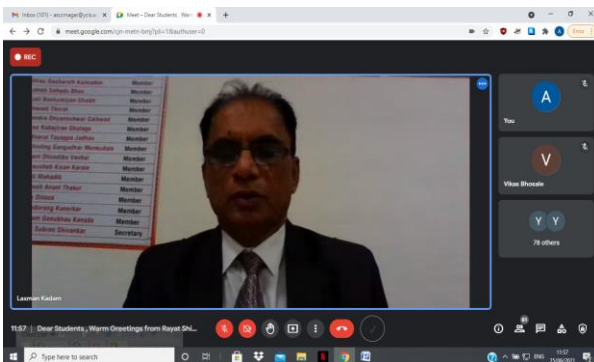

Welcome & Introductory Speech By Prof. Dr. P.B. Piste

Key Note Addressed Delivered By DR. A.A. Ghanvat

Presidential Speech By Hon. Prin. Dr. V. P. Ubale

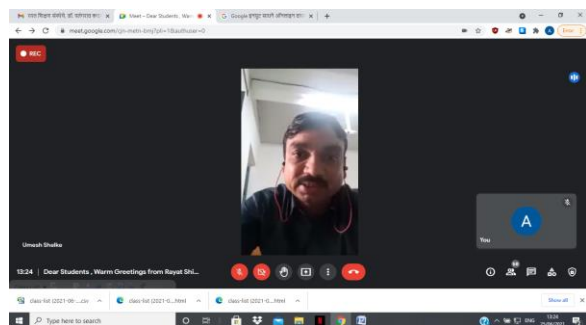

Principal's Address by Hon .Prin. Dr. L. D. Kadam

Session I Delivered by Dr. B. S. Shinde

Session II Delivered By DR. N. D. Desai

Vote of Thanks By Mr. U. S. Shelke

**Coordinator,
Prof P.B. Piste**

**Head of the department,
Dr. V. B. Patil**

**Principal,
Dr. L. D. Kadam**
