Arts, Science and Commerce College Ramanandnagar (Burli)
DEPARTMENT OF CHEMISTRY
PARENT-TEACHER MEET REPORT
(2020-2021)

The Arts, Science and Commerce College, Ramanandnagar and the Department of Chemistry organized a parents' meeting on 31st December, 2020 at 10.30 am. The main purpose of the parents' meeting was to get acquainted with the teachers who are guiding to their children's. The program was planned by all the B.Sc. Part III students in under the guidance of the chemistry teachers. The students welcomed the parents from the entrance of the college and showed the parents all the premises of the college and planned to carry out the program in an orderly manner. After all, the parents were properly welcomed and their meals were also arranged by the department. The program began after the parents' meal.

The program was started by worshipping the image of Dr. Karmaveer Bhaurao Patil Founder of Rayat Shikshan Sanstha's. Pratiksha Kumbhar, Namrata Chougule and Prajakta Patil graced the occasion. Mr. U. S. Shelke introduced the program. He gave, information about the Department of Chemistry as well as issues about the 17 activities implemented in the departments was given to the parents. B.Sc. Part III Student Representative Ms. Komal Patil welcomed the entire guest in the program. The chief guest of the event was former head of the department of zoology of the college, Prof. A.R. Aundhkar's retirement was felicitated by Dr. V. B. Patil and auspicious hands of Principal Dr. L.D. Kadam Saheb as a token of love and respect of the department of chemistry. S. B. Nalawade photographer and B. B. Kadam, former head department of chemistry who helped in setting up the M.Sc. Laboratory, was also felicitated.

After that, Dr. V.B Patil, Head, Department of Chemistry, informed the parents about the effort of the department of chemistry and college look for realization of dream of starting PG in Analytical chemistry, The faculty of the department is happy to see that the facility of PG in chemistry become available to the girls students of rural area in the college. The students of B.Sc. Part-III expressed their heartfelt feelings about the department of

chemistry. The student Representative Ms. Komal Patil expressed her experiences while representing the students as well as the changes she experienced in herself due to the department. Ms. Yogita Jadhav expressed her feeling about the value added course in seventeen activities being implemented in the departments. Ms. Pratiksha Kumbhar gave a brief overview of the new things she learned from the departments as well as how the teachers motivated the students for the study while the online lecture was going on. Ms. Saloni Jadhav expressed her views about the department in a very humorous manner. Ms. Piyusha Sawant shared her experiences about the seminar.

The parent representative, Vishwasrao Patil and Shashikant Rade spontaneously came on the stage to express their thoughts. They appreciated the students for their program planning and for the proper guidance by the teachers and expressed their further expectations from the department.

A. R. Aundhkar, who was the chief guest was impressed by the event. He guided the parents from their minds by telling the students their responsibilities as parents along with the teacher. After this, the Hon. Principal of the college, Dr. L.D. Kadam Saheb guided the students about disciplines and the rules of the college. He also instructed the students to respect their parents. Prof. Dr. P. B. Piste, President of the program, in her Presidential thoughts, guided the students about the many opportunities available for future development.

Ms. Saloni Jadhav thanked the parents dignitaries and students on the behalf of the Department of Chemistry.

OUTCOMES OF THE EVENT

About Fifty parents participated in this meeting. The parents became aware about the rules and regulation of the college, teaching learning methodology and various activities going on for overall development of student. Parents express there gratitude and enthusiasm for this interactive session with the faculty. Because of which they can know better about their wards performance at the college.

FEEDBACK FROM PARENTS

We are very thankful for inviting us to Parent's Teachers meeting. All the faculty and HOD are very concerned and cooperative for improving results of all students. Through discussion we came to know more about the strength and weakness of our ward. They also discussed about how Parents and faculty can work together for betterment of there ward. The System of parent teacher meeting is very good and we are expecting this type of meetings in the future.

NOTEWORTHY PERFORMANCE OF B.SC PART-III CHEMISTRY STUDENTS IN THE PAST YEARS

- ✚ Kshitija Jadhav has received the first prize of Rs. 10,000/- for research project under Research sensitization scheme by Shivaji University, Kolhapur.
- ✚ One of our student Ms.Priyanka Khambalkar got admission for MSc. at Shivaji University Kolhapur. Meanwhile she is earning seven thousand rupees by teaching B.SC.III students. All this result was due to seminar activities only.
- ✚ Our students Samarth Patil and Karthik Arbune started their own household chemicals business by taking inspiration from departmental certificate course. So far they have sold 1000 to 1500 bottles and now they are earning Rs. 700-800/- a day. This is the outcome of our department. We teach our students how to live as well as how to be entrepreneurs through the departmental activities.
