On the day 14th May 2021. Dr. Patangrao Kadam Mahavidyalaya Ramanandnagar (Burli) Principal Dr. L.D. Kadam sir and college teaching, non teaching staff with students gave flower tribute to Mahatma Basaveshwar. Basava Jayanti is a Hindu festival. It is celebrated by Lingayats majorly in Karnataka, Andhra Pradesh, Telangana and Maharashtra to honour the birthday of Lord Basavanna. It is a state holiday in all these states. Lord Basavanna was the founder of Lingayatism and his birthday is pondered as the commencement of a new age, which is called Basavanna era or Basaveshwar era. As per the Hindu calendar, the birthday of Lord Basaveshwar usually falls on the 3rd day of Vaisakha month. The date of Basav Jayanti will change from year to year. We can say Basavanna was one of the best social workers of the country. In Karnataka, there were two primary categories of Bhakti movements. The first form of Bhakti movement was begun by Madar Chennaiah. Late on, Basavanna continued it. The second form of Bhakti movement was based on Vachana sahitya. Many changes were brought to the society through these reforms. The bhakti path was supported by Basavanna, who said "Everyone is equal despite the caste, the color and the economic status."

The Purpose of Remembering : He fought against the bad practices of the society and tried changing the society through his deep social knowledge and poetry.
