A Report of Kanunje Nursery Visit

A visit was held to the Kanunje Ropvatika, at Kundal for the students by the Department of Botany. The Department of Botany runs a value added course on Nursery Techniques. This was the best opportunity for the students to learn such techniques practically. This visit has helped to encourage the students to start their career in this field also they got the field knowledge.

Outcomes:

1. Students got to learn practical knowledge of the Nursery Techniques.
2. Students got to know new species of plants.

Beneficiaries: Students of the Department=60

Glimpse of Nursery Visit

Students getting guidance of Nursery Techniques.
