Mechanism in internal Assessment
Academic Year: 2021-22

The Department of Examination our college is constantly working for the fair and timely assessment of academic progress of the students. For that we have incorporated the following mechanism for the academic year .

With the commencement of academic year following activities were planned and executed accordingly:

1. Diagnostic test were conducted in this year from which the strength and weakness of the student can be seen and we can be guided such student.
2. As per the guidelines of Shivaji University Kolhapur We conduct the Unit test/Home assignment per semester for internal evaluation.
3. The seminars conducted for first semester for UG & PG Final year students.
4. To enhance the skill in writing we always carried out the activity such as project report, home assignment and writing skill etc.
5. To promote the research environment in the campus we allot the research project to all students at the graduate level.
6. We conducted two unit tests in this year and Mid Term Exam for the each semester.
