Mechanism in internal Assessment
Annual Report
Academic Year: 2020-21

The Examination Department of our college is constantly working for the development of students' Knowledge and personality. For that we organize the following mechanism for the academic and personality development of the students.

The examination department with the commencement of academic year following Activities were planned and executed accordingly

1. Two unit test are taken in year from which the strength and weakness of the student can be seen and we can be guided such student.

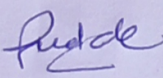

2. As per the guidelines of Shivaji University Kolhapur We conduct the two internal evaluation test per semester of the ten mark each. We always conduct

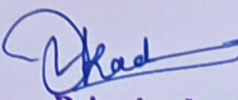

3. The seminars for personality development of student.

4. To enhance the skill in writing we always carried out the activity such as home assignment, writing skill etc.

5. To promote the research environment in the campus we allot the research project to all students at the graduate level.

6. Due to the Covid 19 Pandemic Situation we had conducted one unit test and Second Mid Term Exam through Online mode.
