Mechanism of internal Assessment

Academic Year: 2022-23

The Department of Examination our college is constantly working for the fair and timely assessment of academic progress of the students. For that we have incorporated the following mechanism for the academic year.

With the commencement of academic year following activities were planned and executed accordingly:

1. Diagnostic tests were conducted by each department in this year to identify the slow and advanced learners.
2. Guidance has been provide to slow and advanced learners. The unit Tests/Home assignments in each semester for internal evaluation as per the guidelines of Shivaji University Kolhapur was conducted.
3. Seminars conducted for the first semester UG & PG final year students.
4. To promote the research environment in the campus, we allotted the research project to UG & PG final year students.
5. We conducted two unit tests in this each semester and Pre-Semester Exam.
