Staff Welfare Committee
2019-20
REPORT

In Academic year 2019-20, in order to provide clean and pure water to students in college campus clean water facility was made available with permission and co-operation of Hon. Principal Dr. L.D. Kadam. Along with students health care super annulated teaching and non-teaching staff was felicitated and given a warm farewell.

During the flood situations in august 2019, students underwent tremendous financial and educational loss. Looking forward to the demand of the moment, the students were facilitated with four books and a pen each. The non-teaching staff was provided with financial aid too. The college thus maintained a social commitment with such many efforts all around the academic year.

The harmony and courtesy are the key factors of the staff in college and it gives an immense work tisfaction while working as an integral part of the college. The co-ordination and healthy conversation between teachers-students-parents has kept bond of the trio intact.

Assist with financial assistance to employees during the Corona Lockdown.

In undertaking all the activities and completing them successfully all member of the committee, colleagues have cordially co-operated. Our beloved principal Hon. Dr. L.D. Kadam has always approached with encouraging and supporting attitude. I am heartily thankful to one and all for those who directly and indirectly have played role in making the activities a success. Thank you again.

Outcomes:

1. Various student centric welfare activities were performed during the academic year.
2. Various Staff centric welfare activities were performed as well during the academic year.

Beneficiaries :

All flood affected students studying in the college and 6 members from non-teaching staff of the college.
