सोमवार, दिनांक ९ जानेवारी २०१७ रोजी महाविद्यालयातील मराठी विभागाच्या वतीने आणि जोतिर्लिंग साहित्य सेवा मंडळ यांच्या संयुक्त विद्यमाने 'लेखक आपल्या भेटीला' कार्यक्रमाचे आयोजन केले होते. यावेळी उपस्थित म्हणून नवोदित लेखक संदीप नाझरे यांनी विद्यार्थ्यांशी संवाद साधला.

कर्मवीर भाऊराव पाटलांच्या प्रतिमेस पुष्पहार अर्पण करून सदर कार्यक्रमास सुरुवात झाली. प्रास्ताविक प्रा. मोहन चव्हाण यांनी केले. तर प्रमुख पाहुण्यांची ओळख शिवाजी विद्यापीठातील मराठी अधिविभागाचे संशोधक विद्यार्थी श्री. तेजस चव्हाण यांनी केले. कार्यक्रमाच्या अध्यक्षस्थानी महाविद्यालयाचे उपप्राचार्य डॉ. विद्याधार पाटील होते.

लेखकांच्या मनात एखाद्या कवितेची बीजधारणा कशी होते, साहित्यकृतीची निर्मिती प्रक्रिया कशी होते, लेखक शब्दांची निवड कशी करतो, यासारख्या विषयावर लेखक संदीप नाझरे यांनी विद्यार्थ्यांशी चर्चा केली. विद्यार्थ्यांनीही यावेळी प्रश्न विचारून लेखन प्रक्रिया जाणून घेतली. यावेळी यांनी आपल्या कथेचा पहिला कच्चा खर्डा वाचून दाखवला आणि अंतिम खर्ड्याचे लेखन करत असताना त्यामध्ये झालेल्या बदलांची चर्चा केली.

कार्यक्रमाचे सूत्रसंचालन प्रा. नंदा बोराडे यांनी केले; तर आभार प्रा. शिवानंद भंडारे यांनी मानले. यावेळी महाविद्यालयातील प्राध्यापक व विद्यार्थी उपस्थित होते. अशाप्रकारे 'लेखक आपल्या भेटीला' हा कार्यक्रम उत्साहात पार पडला.

“हिंदी दिवस समारोह” संपन्न

दि. १५ रामानंदनगर: हिंदी दिवस समारोह के लिये प्रमुख अतिथी के रूप में सांगली जिला हिंदी अध्यापक मंडल के कार्यवाह श्री. ए. टी. पाटील उपस्थित थे। समारोह के अध्यक्ष महाविद्यालय के प्रधानाचार्य डॉ. सुनील कांबळे थे।

समारोह का आरंभ “अविष्कार भिती पत्रिका” के विमोचन के साथ हुआ। हिंदी प्रेमी, छात्रों ने “अविष्कार भिती पत्रिका” का संकलन किया था। इस पत्रिका का विमोचन प्रमुख अतिथी श्री. ए. टी. पाटील सर इनके करकमलो द्वारा किया गया। समारोह के प्रास्ताविक में हिंदी विभागाध्यक्ष प्रा. सुनील काकडे इन्होंने हिंदी विभाग द्वारा आयोजित विविध उपक्रमों की जानकारी दी, जिसमें प्रमुख रूप से निबंध, वक्तृत्व, गीतगायन, काव्यवाचन प्रतियोगिता, अविष्कार भिती पत्रिका आदि का उल्लेख किया।

इसके बाद हिंदी विभाग द्वारा आयोजित प्रतियोगिता के प्रमाणपत्र छात्रों को समारोह के अध्यक्ष डॉ. सुनील कांबळे और प्रमुख अतिथी ए. टी. पाटील सर इनके द्वारा प्रदान किये गये।

श्री. ए. टी. पाटील सर इन्होंने अपने मंतव्य में हिंदी दिवस का महत्व, हिंदी की आवश्यकता इस संदर्भ में विस्तृत जानकारी दी। आगे उन्होंने कहा हिंदी आज विश्व स्तर की भाषा की ओर अग्रसर होती जा रही है। आज हमें हिंदी को समृद्ध भाषा बनाने की जरूरत है। भाषा की सुंदरता के संदर्भ में भी उन्होंने कई उदाहरण दिये। भाषा को आज बचाने की जरूरत है, हिंदी का प्रचार प्रसार करने की आज आवश्यकता है। यह बात उन्होंने व्यक्त की।

समारोह के अध्यक्ष डॉ सुनील कांबळे इन्होंने अपने अध्यक्षीय विचार व्यक्त करते हुये कहा, हिंदी आज पूरे देश में फैली है। हिंदी के साथ साथ हमे अनेक भाषाये आनी चाहिये। सीमा प्रांत में लोगों को एक अतिरिक्त भाषा आती है। इसपर भी उन्होंने प्रकाश डाला। हिंदी का प्रचार प्रसार हिंदी दिवस के माध्यम से किया जाता है, इसलिये यह दिवस मनाना चाहिये। इस बात को भी उन्होंने स्पष्ट किया।

समारोह के लिये महाविद्यालय के छात्र बड़ी संख्या में उपस्थित थे। समारोह के संयोजन में प्रा.नीता साठे, प्रा.यु.टी.शेडगे, प्रा.संतोष मारकवाड, प्रा.आर.ए.सोनावणे आदि इनका महत्वपूर्ण योगदान था। समारोह का आभारज्ञापन प्रा.नीता साठे इन्होंने किया। समारोह का सूत्रसंचालन प्रा.यु.टी.शेडगे इन्होंने किया।

Respected sir,

For our academic purpose we faculty and students of ASC College Ramanandnagar (Burli) - Sangli, wish to visit your industry for academic purpose. We are looking ahead for your permission to allow us to spend some pleasant moment with you. It will be addition to our knowledge and get pleasure to visit your industry and get the chance to learn from your management.

We will take our Faculty along with 38 students which are from B.Sc. Part III (Chemistry).

Our main motive behind this visit is getting actual knowledge from the industrial world. It is our firm belief that your industry can provide certain information which will help us to understand functional system and the work procedure of big organization like yours.

We are looking towards your industry as an opportunity which will help us to get practical knowledge in terms of research, development and production processes and will help us to understand procedure better.

We assure you that the crucial information provided by you will be used for the purely academic purpose and the future project work only.

If the permission is granted we will be visiting on 10th or 11th Feb. 2018.

Kindly looking ahead for your positive response.

"Tour Report"

Submitted by :- Mr. ~~Santh~~ Rohit Bajarang Umbare

Roll No - 2123.

A department of chemistry of the A.S.C. College Ramchandnagar (Burlu), was arranged a visit to Khar Agrani G.D. (Bapu) Ltd. Co-operative sugar factory, Kunjal Tal-palus (Sangli) as a part of curriculum.

This sugarcane factory is about 7-8 km away from college. We all students of B.Sc-III visited the sugar industry which is best arrangement sugarcane industry & is awarded by state & central government of India.

This sugarcane industry is found by freedom fighter G.D. (Bapu) Ltd on Co-operative basis. The sugarcane crop is harvested in Krishna river belt & collected & crushed. This factory always gives better sugarcane crop rate.

Near about 1400 staff & workers are working in three shifts. They do work hard & support to give recovery on 11-12. A guide, representative of the factory has shown all industry with explanation whatever doubts to us were also explained by him. I get inspiring by seen a this industry. By product of Kharisugar industry i.e. Bagasse, molasses.

Bagasse are used for produced electricity. The molasses are used for alcohol & fertilizer. After the cutting sugarcane from the farm, 1st to check the recovery for this cane.

Recovery:

This cane sugar are name as a 86082. In the very good & No-1 variety of India maximum percentage of sugar present in this variety of sugarcane. 265 variety of sugarcane are maximum percentage H₂O & minimum percentage are present.

Crain-Guide - Arun Kate

machine sugar cane cut into very small pieces:
In A department of chemistry at the A. S. C. college Ramandhagon (Borui). was arranged a visit to Kranti Kranti sugar industry 20 workers are worked daily.

Milling section Guide - Devraj sir

In "kranti sugar industry" in charge of the mill section is devraj sir.

Extraction of juice -

The cane is 1st washed to remove mud dirty. The cut diagonally into small pieces by rapid rotating knives (400-600 rpm). The cane chips are then sent to milling train consisting of two rolled crushed.

A mill consist of three horizontal, rolled about 6 ft. in length & 8 ft in diameter arranged triangular pattern. The presence of top roller is maintained at 15 to 20 tons are meters of rollers length. The juice collected in the vibrating porous pan. The 2nd & 4th mill are provided with sample containers. When the chips are crushed in the crusher only about 60-70 of juice is extracted. Here hot water is sprayed on the bagasse passing from the 3rd mill & 2nd mills. The juice from 2nd mill is sprayed on the bagasse come from the crusher.

clarification of juice :-

The cane juice collected from milling house is acidic opaque & greenish liquid. It contains both soluble & insoluble impurities. The soluble impurity includes organic matter viz. non-crystallizable sugar, organic acid, proteins, gums, pectin etc.

The pH 5.1 to 5.7 of freshly extracted juice is increased to 7.5 to 8.5 by adding milk of lime.

The process of removing the impurities from the cane juice is called clarification.

In the ~~pan~~ clarifiers the hot limed juice is separated into three layers. The top layer is of sum consisting of fine fibre particles & the bottom layer is of mud consisting of heavy ppt. The middle layers consist of clear juice. The mud & the sum are filtrated under pressure to produce cakes. After filtration of molasses are washed & washing sent back to clarifier.

Vacuum pan :-

The thick syrup from evaporator is further concentrated in the vacuum pan. It is large in diameter & the size of tube is bigger crystallisation of sugar two methods are used.

of Graining by Growth of crystals.

Massacuite B →

In the massacuite pan 1200 ml - 1500 slugs are used for seeding for the massacuite growing brine is adjusted at $94-95^{\circ}\text{C}$ & vacuum of pan is 24-25 inches.

Massacuite A →

In the massacuite pan A vacuum pan is 25 inches & temp. of water is maintained at 60°C & the syrup contain 72% sugar.

Massacuite C →

In the massacuite pan increase the size of slugs about 8 μ to 15-20 μ . The massacuite C is low purity & highly viscous because of high percentage of dissolved sucrose & it is sent to crystallisation for the of sugar alcohol is used.

The sugar crystals are separated from mother liquor in centrifuge machine in the Kanti sugar industry every day 6000 tons cane sugar extract 7800 quintal 125-130 kg sugar are produced there are four type of sugar M.L.S, & S₂ these four type sugar crystals are large in size than M.S, & S₂ S₁ type of sugar crystal are No-1 quality & it is used in daily milking.

By products in sugar industry.

Bagasse -

for the extraction of juice bagasse is separate cut in the milling house. But Bagasse 52-58% solid bagasse is used to the box & electricity used in the manufacture of paper or new prints & also as fertilizer "Kanti sugar industry are provided to 8-58-200 unit electricity.

Molasses :-

It is the mother liquor left behind after crystallisation of sucrose. It is also called a black strap. The most imp use of molasses in the manufacture of ethyl alcohol. Directly molasses can be used as an adjust in the manufacture of animal feed.

Subject :- Permission to our students to visit KBL Co.

Sir,

With reference to above subject & according to the syllabus of Shivaji University, Kolhapur, it is necessary for our students of **B.Sc. III (Physics)** to visit nearby industrial area to improve their practical & industrial knowledge & skill.

So, it is kindly requested to have the permission to visit our KBL industry.

No. of candidates of B.Sc. III (Physics) = 12

No. of Teachers = 02

Probable date of visit: 11/02/2016

MoU Activities Report

**To know functioning of Co-Operative Bank, Mansing Cooperative Bank
Dudhondi.**

Department of Commerce arranged a visit to Mansing cooperative Bank Dudhondi on 24th February 2018 under its MoU. For the purpose of understanding banking procedure and functioning. 52 students and 3 faculties are participated in this activity. Mr. Prakash Arbune, Manager at head office gives in details about the working of the bank with demonstration and also delivered lecture on all the information commerce student must know about Modern banking sector like RTGS, NEFT, Core banking, Mobile banking, Data Centre etc. they showed working of Data Centre and ATM machine with demo. All the students were participated actively in this activity and this visit is very fruitful to the department students.
