A Report on Industrial Visit

Date-06/04/2022

On 6th of April 2022, Department of Physics organized a one day industrial visit to Pandurang Engineering Works, Burli under Industry-Academia Memorandum of Understanding. Total 7 students and 2 faculties visited Pandurang Engineering works situated near college.

In this industrial visit student of our department saw various machines used to make Shaft, Bearing and other Machine parts. It helped students in understanding the mechanism of how machines are handled and how various part required as per order of company are designed and constructed.

In this industrial visit students were given information of utilization of their knowledge and skills for development of industrial sector of nation. Such activity is useful to interact the Technical and industrial officials and to acquaint students with need of industry sector.

Outcomes – 1. To prepare the student as per required skill in industry.
2. To understand the advanced technique used and required industries.

Beneficiaries - 07
Students of Third year
Physics

Supervisor Mr. Vijay Waingade explaining working of machinery at Pandurang engineering
