organise

One Day Workshop on Innovation
On the occasion of

Innovation Day

REPORT

Rayat shikshan has set up three Centers for Invention, Innovation and Incubation to promote research culture and innovative thinking among students and it was informed to celebrate **October 15, 2019** as the Innovation Day by organizing seminar or workshop on innovation. Hence as per the notification of Rayat Shikshan Sanstha and guidance of Honorable Principal Dr. L.D. Kadam, Internal Quality Assurance Cell and Research Promotion Committee of the College jointly organized **One day Workshop on Innovation on October 16, 2019**. Prin. Dr. Rajendra Kumbhar was the resource person of the workshop. He explained the concepts of invention, innovation, incubation and start ups and motivated students to think innovatively. He gave simple and everyday examples of innovations which can make life better and eco-friendly. It was an enlightening and motivating experience for the students and faculty members. Forty seven students were benefitted by the workshop. Prin. Dr.L.D. Kadam was chairperson of the session. Dr.Mrs. ujwala Patil worked as coordinator of the event. Dr.V.S.Raut, Dr.T.S.Bhosle, Prof. Shelke U.S., Prof Bhagyavant, Prof. Sutar, Prof Kopnar and Prof Gaudab worked for successful conduction of the workshop.
