DEPARTMENT OF BOTANY & GEOGRAPHY
Organized
TREE PLANTATION & VASUNDHARA DIN

28/04/2023

Department of Geography has celebrated the “Vasundhara Din” in association with department of Botany. On this occasion the students and the teachers of this department visited Kanunje Nursery at Kundal. The information about the ornamentals, medicinal plants, fruit trees, various vining flowering plants and their environmental importance was given to the students. There are 35 students were present for this event. On this occasion, ornamental plants were purchased from the nursery and planted in the botanical garden of the college.

Outcomes:

- 1.The interest about local environmental increased among the students.
2. The students got information about various trees.
3. Realized the importance of different types of plants in the environment.
4. Created an awareness about earth and its environment .

Beneficiaries:

35 Students
