Organized
Group Discussion Activity
Report

Date: 21/04/2023

On 21st April, 2023, Group Discussion was conducted on the topic '**Global warming-Causes, Effects & Solution**' for the students of B.Sc. Part II. The purpose of the group discussion, which was to promote a deeper understanding of a topic and increase long-term retention. The activity was conducted under the guidance of Hon. I/C Principal Dr. T.S. Bhosale.

The discussion was between three groups, First group explained what is global warming and Second group discussed the causes of global warming and the third group discussed the effects & solution to global warming.

Outcomes:

1. It was helpful to improve thinking, listening and speaking skills.
2. It gave the knowledge of reducing and stabilizing the levels of heat-trapping greenhouse gases in the atmosphere.

Beneficiaries:

31 Students of B.Sc. II.

B.Sc. Part II students participating in Group Discussion Activity
