### Capsule Course

### Broad Report

Department of Physics, Dr. Patangrao Kadam Mahavidyalaya Ramanandnagar (Burli)

in collaboration with IQAC successfully conducted a Capsule Course for B.Sc. III Physics students of Batch 2022-23. The Capsule Course was conducted for four consecutive days of November 2022 viz namely 19, 20, 21 and 22.

Objectives of the capsule course were to remind important concepts from B.Sc. III syllabus, to develop greater understanding of syllabus, Revision of study through Multiple Choice Question and solving mathematical problems in the syllabus to prepare students to face forthcoming Semester end University Examination.

During this Capsule Course subject experts Dr. Gauri Patil, Miss. Namarta Kamble, Mr. Prashant Bhagyawant and Miss. Bhagyashree Jamdade took review of Semester V Physics Papers followed by discussion of multiple choice questions, numericals. Total eight students benefited by this activity. Substantial involvement of Students was observed in this activity.

This Capsule course was conducted under guidance and support of Honourable Principal Dr. T.S. Bhosale Sir and Dr. Gauri Patil Head, Department of Physics. We are grateful to all the teachers, the managing team, and students that extended their support to make this capsule course successful.

#### Objectives:

1. To develop greater understanding of syllabus
2. Revision of study through Multiple Choice Question discussion
