

**DEPARTMENT OF PHYSICS**

**2018-19**

**STUDENTS' SEMINAR- REPORT**

In order to improve the skill of oration of the students, Seminar activity has conducted by department of Physics on 7<sup>th</sup> December 2018. All the students of B. Sc. Part III were participated in this activity.

Seminars were arranged just before the end of fifth and sixth semester. Students delivered seminars as per guidance of allocated teacher. Students have prepared their power point presentation and given their seminars using them, in the audio-visual hall. Simultaneously students have submitted their seminar synopsis and also checked it from their allocated teacher. Total 13 students of B. Sc. III were participated in this activity.

A handwritten signature in blue ink that reads "V. Raut".
