Report on Helping Hand to the Flood Affected Students

In the year 2019-20 in the month of August 2019 many villages of the Palus Tahsil are badly affected by the flood situation arise in Krishna River. Our college belongs to the same vicinity and most of our students came from the Flood affected area. In this natural calamity they were swept away all the things including educational material like Book, Note books, Sack etc. In such a bad condition our college extended a helping hand. The college is aware of its social commitment. Recognizing our moral responsibility, all the teacher collected fund from their salary and distributed educational materials to the students. Department of commerce actively contributed in this activity and distributed Note books to the students. Department conducted extra lectures to recover lectures which are not took place during this situation. Also helped to get out of such a situation and become mentally stable.

Outcome:

1. Educational loss is recovered.
2. Students get Mentally stable support
3. To get educational material

Beneficiaries:

- B. Com. I : 57 out of 73
B. Com. II: 29 out of 39
