“Career Opportunities in Commerce”

Report

On the 28th of December 2019, the Department of Commerce, Arts, Science and Commerce College, Ramanandnagar (Burli), organised a One Day Workshop focused on 'Career Opportunities in Commerce.' The event proved to be a pivotal educational endeavor, with the aim of enlightening students about the diverse career paths within the commerce field. The workshop commenced with an insightful session by Prof. Dr. A. M. Gurav, who, with his extensive expertise, delivered an enriching discourse on various career opportunities available in commerce. His engaging presentation captivated the audience, creating a conducive learning environment.

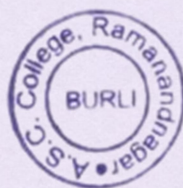

The organizational aspects were efficiently managed, with Prof. V. B. Patil serving as the chairperson, ensuring the workshop's smooth progression and effective communication between the speaker and the students. Mr. B. D. Patil's adept anchoring skills contributed to the workshop's dynamism, maintaining the audience's interest and facilitating seamless transitions between sessions. Smt. P. D. Pudale expressed gratitude in the Vote of Thanks, acknowledging the collaborative efforts that made the workshop both educational and successful.

A notable feature of the workshop was the active participation of 70 students, demonstrating their enthusiasm to explore and understand the plethora of career prospects available within the commerce domain. Prof. Dr. A. M. Gurav's session provided a deep dive into various career opportunities, fostering an interactive learning environment where students could actively engage, ask questions, and seek clarifications. The workshop, through Prof. Gurav's guidance, not only broadened the students' understanding of potential career paths but also equipped them with the knowledge needed to make informed decisions for their future careers. Overall, the One Day Workshop on 'Career Opportunities in Commerce' served as a valuable platform for students, enhancing their insights into the diverse fields encompassed by commerce and contributing to their academic and professional development.
