Study tour report
2022-23

As per the syllabus, the excursion was arranged by the various departments of the college during the academic year 2022-23. The department of Physics had arranged two days educational tour for B.Sc. II and III rd year students on date 20-02-2023 to 21-02-2023.

For this tour there were total 31 (25-II year and 06-III year) students and 06 teachers participated in this tour. The route of the tour was as, Ramanandnagar-Satara-Chalakewadi-Wai-Mhableshwar-Rayagad(halt)-Pachad – Mahableshwar-Satara-Ramanandnagar. The educational study tours are useful to increase the cultural, natural and scientific knowledge of the students.

The educational study tours are useful to increase the cultural, natural and scientific knowledge of the students. In this study tour students studied working of wind mill at Chalkewadi. Chalkewadi Wind Energy Project in Satara was developed with the intention of generating clean energy. There are hundreds of windmills on the adjoining hills. The windmills are stretched over a 5 km plateau and supply electricity to Satara and neighbouring places like Mahabaleshwar and Panchgani. Chalkewadi is developed as a tourist spot, because the windmills and the hills offer a magical landscape together. Thoseghar waterfall can be seen from Chalkewadi.

Outcomes

1. Developed cultural, Scientific and natural Knowledge among students.
2. Students Exposed to new experiences and environment.

Beneficiaries

31

Pratapgad Fort

Rayagad Fort

Chalakewadi Electric Energy Power Plant

Rayagad Fort
