Trade Fair Report

Entrepreneurship and business skills are the need of the present era. To develop these skills in students, Department of Library and Commerce organizes a “**Trade Fair**” in the college on 5th April 2023. The programme was inaugurated by Hon. Mahendra Appa Lad, Member of the Managing Council of Rayat Shikshan Sanstha, Satara. In inaugural speech he said that these of activities inculcate a professional attitude among the students and develop their creative thinking. Dr. T. S. Bhosale, in-charge principal of the college presided over the programme. This activity benefited for the students of the college. All departments were participated spontaneously in **Trade Fair** with their 13 department wise stalls of Food and Beverages and they get great response from the students and citizens

Programme Outcome –

- Students Got Knowledge of Material Management
- Students learned Communication & Advertisement skills
- Students understood various Business Skills
