Seminar Activity Report
Subject: Advanced Accountancy Paper - I

Date: 15.12.2022

On 13th December, 2022 Seminar Activity was conducted for the last year graduating students in their lecture hall. The seminar aimed to educate college students on the importance of effective communication in the professional world and provide them with practical skills and techniques to improve their communication abilities.

The seminar received positive feedback from students, with many reporting that they found the interactive group activities to be particularly beneficial in helping them practice and improve their communication skills. Many students also expressed appreciation for the Q&A session, as it provided them with valuable insights and advice on how to effectively communicate in the professional world.

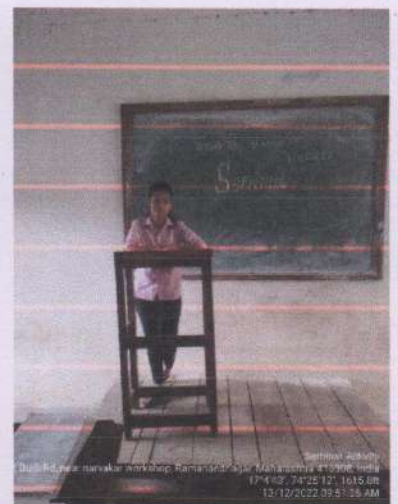

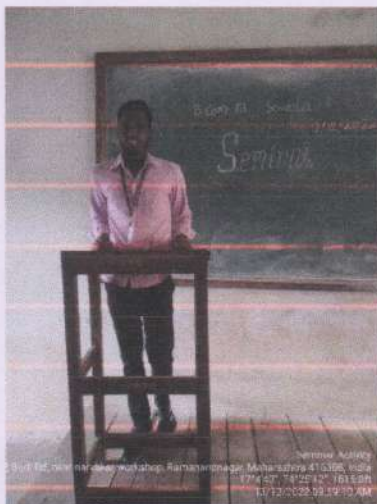

This event provided college students with valuable information and practical skills to improve their communication abilities.

Objectives:

1. Introduction and welcome by seminar organizer
2. Keynote speech on the importance of effective communication in the professional world
3. Interactive group activities to practice communication skills
4. Q&A session with a panel of experts in the field of communication

Beneficiaries:

41 Students from B. Com. III

Students of B.Com. III Presenting Seminar
