**WALLPAPER ACTIVITY "CHANDRAYAAN-2"**

As per the proposed plan, Department of Physics of A. S. C. College, Ramanandnagar has conducted a wallpaper activity on a very recent topic "Chandrayaan -2". This activity was held on 28<sup>th</sup> September 2019, (Saturday) on the occasion of birth anniversary of Alexander Fleming. The wallpaper was prepared by students of B.Sc. III under guidance of Dr. Vanita Raut and Dr. Gauri Patil. In this wallpaper the experimental data, information and pictures about Chandrayaan-2 was gathered by students which is presented in the form of two flexes. The wall paper was inaugurated by auspicious hands of Dr. A. S. Sartape, Balwant College, Vita. This inauguration function was conducted in chief presence of Dr. S. A. Kokare and Dr. K. B. Bhosale. Principal of College, Dr. L. D. Kadam presided the function.

After inauguration, Ms. Vrushali Padman (B.Sc. III Physics student) gave information about wallpaper to the inaugural committee and the college students. Other B.Sc. III students explored their views and thoughts about Chandrayaan. Ms. Vrushali told, it was a 3 in 1 mission of ISRO born at a U.R.Rao satellite center in Bengluru. It was launched on 22<sup>nd</sup> July 2019 from Satish Dhawan Space Center, Shriharikota. Chandrayaan 2 is to explore the unexplored regions closer to lunar South Pole. This mission helps us to better understand the origin and evolution of moon. It is a very low budget mission. In mission a completion, 95% of success was achieved, which is very proud moment for us.

**Program Outcome**

College students and faculties get well acquainted with recent researches in Science.

**Beneficiaries:**

College students and Faculties

B.Sc III student explaining the poster to dignitaries

Managing team on occasion of Chandrayaan 2 poster presentation ceremony

  
Dr. Ms. Raut V.S.  
Head of Department

  
Principal
