Research Promotion Committee in collaboration with
IQAC organizes
A webinar on
"Institutional Innovative Practices and
Entrepreneurship development"
Report
2020-21

With the intension "To promote use of innovative practices and to develop entrepreneurship skill among students", Research promotion committee in collaboration with IQAC organized a webinar on "Institutional Innovative Practices and Entrepreneur development" dated 4th November 2020 at 10.30 am. This online program was conducted using Google meet platform. Dr. R. R. Kumbhar, Principal, Jaysingpur College Jaysingpur was the chief guest and Dr. L. D. Kadam, Principal, Arts, Science and Commerce College Ramanandnagar (Burli) was the President of the function.

Program was inaugurated by offering floral tribute to Padmbhushan Dr. Karmveer Bhaurao Patil and by playing Rayat Geet. The prologue was done by Prof. (Dr.) Mrs. P. B. Piste. She explained interconnection between innovation and entrepreneurship, how the institute benefits with innovative practices. Then she introduced the Resource person of the webinar Honorable Dr. R. R. Kumbhar, Principal, Jaysingpur College Jaysingpur.

Dr. Kumbhar delivered a very enlightening and motivating lecture. During lecture, he explained the concept of Innovation with diverse simple suitable examples. He elucidated a variety of institutional innovative practices that college can commence. He nicely illustrated a journey from Innovation to Incubation, Incubation to start up with different examples. In his talk, he also explained the skills and qualities essential to become a successful entrepreneur and how innovation can be implemented in industries. How business contributes in development of the country. He discussed case studies of various

industrialists. He explained how innovation is useful for improvement of business. He also explained various paths of raising the capitals for small scale industries. Then he focused on growth of regional industries and motivated the students to develop their local enterprises as per need. He encouraged students to start business. He also motivated student to make use of innovation and thus to become Job creator instead of job taker. He also explained the ways to release stress and frustration that industrialist generally faces. He gave various ideas for growth of business. He explained everything in a very lucid language. Taken as a whole a very encouraging speech was delivered by Dr. Kumbhar for development of entrepreneurship by making use of innovation. Lecture was followed by question answer session.

Presidential remarks were given by Honorable Principal Kadamsir. He expressed his views regarding growth of regional business. He also encouraged students to undertake small projects, start ups to business. He told that skill development is one of the key ways to end unemployment.

Vote of thanks proposed by Chairman of Entrepreneurship development cell and Research promotion Committee Dr. Ms. V. S. Raut. Ms. N. J. Kamble does Compering of the webinar. Around sixty students and teachers participated in this webinar. Webinar was conducted under guidance of honorable Principal and with cooperation of committee members.
