Guest Lecture on Soft Skills Development

Department of English organized a Online Guest Lecture on Soft skills Development on Thursday 1st July 2021. It is expected that along with curriculum delivery and traditional teaching, learning and evaluation, HEIs should take efforts for holistic development of the students through student centric activities. Soft skills also known as behavioral skills are essential for the successful personal, social and professional life. Hence Department of English undertook this activity to do orientation of the students about soft skills like team building, leadership, decision making, and confidence building. Dr. Sunita Gharge, Professor and head, department of English of S.P.M.M. Satara guided students as resource person. The programme was successfully completed in presence of Chairperson Principal Dr. L. D. Kadam and other colleagues of our college. Students participated enthusiastically. Dr. Ujwala Patil introduced the programme, Prof. S.S. Nadaf did compeering and Prof. B. S. Sakate proposed vote of thanks.
