**Visit to Kanunje Nursey**

## Objectives

- New education policy is employment oriented, emphasis on skill development.
- There are three vocational courses related with plant
  - Medicinal plant
  - Horticulture
  - Organic Farming

So students get knowledge about horticulture and medicinal plants by experiential learning.

- Students learn about nursery management and agroforestry.
- This field visit provide information related to plant nursery and self employment of youth.

## DEPARTMENT OF BOTANY

### A REPORT OF NURSERY VISIT

Date : 28/04/2023

As a part of Syllabus prescribed by the Board of Studies in Botany, Shivaji University, Kolhapur the department of Botany had organized Botanical Visit for the B.Sc. – I, II classes.

A visit was held to the **Kanunje Nursery**, at Kundal Tal.- Palus Dist: Sangli for the students by the Department of Botany. The Department of Botany runs a value added course on Nursery Techniques. This was the best opportunity for the students to learn such techniques practically. This visit has helped to encourage the students to start their career in this field also they got the filed knowledge. The students learned about the management of plants, organization of plants, in the garden.

This visit were also enhancing the employable skills, employability, self- dependency of students.

#### Outcomes:

1.It was helpful in presentation skills, discussion skills, critical thinking in students, engaging with big questions, studying major works.

#### Beneficiaries:

37 Students.
