EDUCATIONAL AID TO FLOOD HIT STUDENTS

Department of Physics of A. S. C. College, Ramanandnagar conducted an educational aid activity on 24th August 2019 for flood affected students of the college. Teaching and non-teaching staff from department of Physics voluntarily contributed for the cause.

A total of 666 Students of the Junior and Senior wing of the college from flood affected region (**8 Students** from department of Physics) were assisted with four notebooks and a pen each. The aid was distributed in auspicious presence of Honorable Principal Dr. L. D. Kadam.

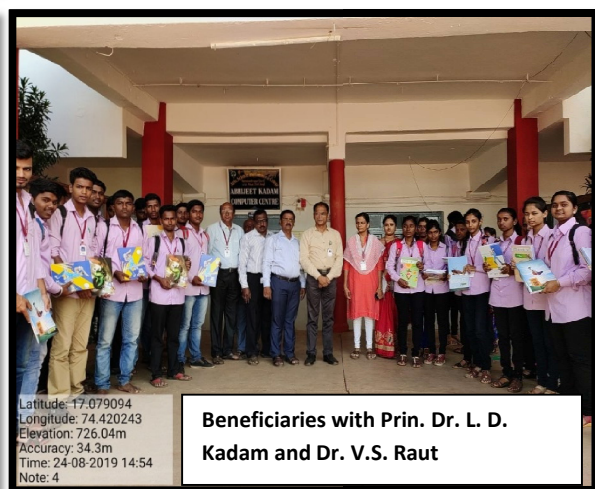

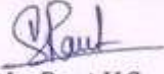

Outcomes :

1. The students received succor in the time of need.
2. A sense a social responsibility was executed and impressed in the minds of students .

Beneficiaries :

A total **eight** students from department of Physics.
