COC / Short Term Course
2019-2020

Aims and objectives of COC and Short Term Courses

In today's modern world, there is great demand for skill based courses including short term courses. Keeping in mind our Institute has started various short term courses for the Under Graduate classes. Through these courses, the students can achieve the information about various courses. The students may get additional knowledge regarding the course.

Some of the courses are job oriented courses and so these courses will be helpful for earning the money. Along with the regular degree the students will achieve additional knowledge about the respective course
