Date: 02/08/2023

The poster presentation on National Education Policy 2020 was conducted by the Department of Chemistry in association with Internal Quality Assurance Cell on 2 August 2023. The main objective of this poster presentation is to create awareness and access understanding of New Education Policy 2020 among college students. There were 07 posters made by chemistry students, all students of college has benefited by this programme.

Outcomes

1. Created awareness of NEP 2020 among students
2. Enhanced knowledge about NEP 2020 among students.

“One Day Workshop on “Preparation of Avishkar Competition & Inauguration of Science Association”

Date – 11th Oct. 2023

Dr.Patangrao Kadam Mahavidyalaya, Ramanadnagar (Burli) Department of Chemistry & Science Association Committee in Collaboration with IQAC organized One Day Workshop on ‘Preparation of Avishkar Competition & Inauguration of Science Association’ on 11th Oct. 2023. The main purpose of this workshop was to inculcate the research attitude among the students & make them able to participate in Higher level Avishkar competition.

The introduction & welcome of this workshop was done by Dr. G. R. Patil Vice Prin. & Head, Department of Physics. The Inauguration was done with auspicious hand by chief guest Dr. Uday. P. Lad Assistant Professor, Department of Chemistry Y. C. College Karad and Hon. I/C. Prin. Dr. U. V. Patil president of this Function. Dr. Uday. P. Lad has continued as a resource person and delivered the Guest lecture on the Preparation of Avishkar Competition and Discuss the Role of Science in our Life.

Hon. I/C. Prin. Dr. U. V. Patil gave presidential address and she encourage the students for Avishkar competition. The Vote of thanks was proposed by the Mrs. P. D. Jirage Head, Department of Mathematics There were 46 participants participated in this workshop.

'One Day Hands on Training on 'Preparation of Household Chemicals'

Date - 14th Oct. 2023

Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli) Department of Chemistry in Collaboration with IQAC organized One Day Hands on Training on 'Preparation of Household Chemicals on 14th Oct. 2023. The main purpose of this workshop was to make students self-employed, aware about all procedures of preparation of household chemicals and market value of products.

The introduction & welcome of this workshop was done by Mr. D. A. Sasane IQAC & M.Sc. coordinator. The Inauguration was done with auspicious hand by chief guest Dr. Kishor Gaikwad Assistant Professor, Department of Chemistry Rajarshi Chhatrapati Shahu College Kolhapur and Hon. I/C. Prin. Dr. U. V. Patil president of this Function. Dr. Kishor Gaikwad has continued as a Trainer and gave the Theoretical & Practical training on Preparation of Household Chemicals such as Detergent Powder, Liquid soap, Soap, Phenyl etc. and discuss the Role of this chemicals in our day to day Life. During the Training period all students prepare all chemicals its own in the laboratory.

Hon. I/C. Prin. Dr. U. V. Patil gave presidential address and she encourage the students for this workshop. Mr. K. S. Kalekar Head, Department of Chemistry, Mr. D. P. Gawari, Mrs. P. R. Short Term Course "Preparation of Household Chemicals"

10/12/2023

Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli) Department of Chemistry conduct the short-term certificate course "Preparation of household chemicals" every year. In this year this course started from 6th September 2023 to 7th December 2023. The Purpose of this course is to give the marketing skill and make the students self-employed. Also to enable students to understand the basic principles of household chemical preparation, including safety protocols, ingredients selections. The duration of this course is 3 months. In this year 39 students were admitted for this course.

The total marks for this course were 100. In this course there was three papers i) Basic concept of household chemicals ii) Mechanism Precaution and cleaning action of household chemicals and iii) practical paper which includes preparation of Sanitary acids, liquid soap, white phenyl, Black phenyl and market survey of household chemicals. This course is successfully completed by the B.Sc. Part III students. 100 marks exam was conducted in two session paper I and paper II for academic year 2023-24. After successful completion of this course the Certificate would provide to students.

Report on Seminar Activity

Date – 25th January 2024

The department of chemistry organizes various student centric activities for the students out of this one of the activity is seminar activity which was organized on 25th January 2024, the department of chemistry organized seminar activity for both UG and PG students as a part of curriculum. The main aims and Objective of this activity is to inculcate the presentation and conveying skill among the students.

The department of chemistry conduct this activity under the Guidance of Mr. K. S. Kalekar (Head, Department of Chemistry), Mr. D. A. Sasane (M.Sc. coordinator), Mr. D. P. Gawari, Mr. Y. R. Sable, Ms. P. R. Ghodake, Ms. P. A. Patil, Ms. J. V. Kumbhar, Mr. K. P. Devalkar, Ms. P. D. Barele, Ms. S. B. Bagade, Ms. N. J. Sagare, and Ms. P. N. Chavan. There were 75 Students from M.Sc. I as well as II and 37 students from B.Sc. III chemistry delivered seminar on different topics from the curriculum for eight minutes each and two minutes for discussion. The students feel motivated to learned new things with proper guidance from our teachers and motivated to learned more effectively efficiently and boost their confidence, performance and productivity so benefits and importance of seminars of students is immense.

On Behalf of our chemistry department we wish to thank the Incharge principal Prof. Dr. (Smt.) U. V. Patil for encourage us to organize such a student centric activities.

"One Day Training Program on "How to Face Interview in Campus Drive"

Date: 25/01/2024

Report

Dr. Patangrao Kadam Mahavidyalaya Ramanandnagar (Burli) Department of Chemistry and Mahindra Pride Classroom Naandi Foundation, Pune in collaboration with IQAC was organized One Day Training Program on 'How to Face Interview in Campus Drive' on 25th January 2024 11.00 am in audio-visual hall. This training programme was only for girl's student. There were 53 UG and PG girls from chemistry and BCA department registered for this training programme. The College always conducts training programs to look after the interests opportunities of students as well as to guide them in different ways to provide with the right in the future The aims and objectives of this training program was to simulate a real job interview experience for students, to help students prepare and improve their interview skills, to identify areas for improvement in students' interview technique To provide students with an opportunity to practice answering common interview questions, to help students develop strategies for handling challenging interview questions and to build students' confidence and self-esteem in a simulated interview setting

I/c Prin. Prof. Dr. U. V. Patil presided over the inauguration ceremony. She encourages to the students about the skills and employment opportunities required for their Career. The introductory and welcome speech was given by IQAC and MSc. Coordinator Mr. D. A. Sasane while Miss. Asawari Kulkarni Trainer, Mahindra Pride Classroom Naandi foundation outlined the full program worked tirelessly to train our students and gave examples of what skills we need to acquire in order to get employment.

Dr.Patangrao Kadam Mahavidyalaya, Ramanadnagar (Burli) Department of Chemistry in Collaboration with IQAC organized One Day Industrial Visit at Krantiagrani Dr. G. D. (Bapu) Lad Sugar Industry Kundal on 12 February, 2024. The main purpose of this visit was to gain practical knowledge about sugar industry. This is considered as the best experiential learning method.

We started traveling from the college campus at 10.30 am via bus total 39 students along with 5 faculty members were in the journey. The Manager of the sugar industry provided us 1 guide. They took us from entry point of the sugar industry to exit point of i.e. packaging of sugar. In this they gives information of processes like Cane Yard, Mill House, Boiler House, Juice Clarification, Evaporators, Pan Boiling, Slurry preparation, Centrifugation, Drying and Packaging Processes etc. They also give the information about distillery alcohol production Plant of industry.

On Behalf of our chemistry departments we wish to thank the chairman of Krantiagrani Dr. G. D. (Bapu) Lad Sugar Industry Kundal and Incharge principal Prof. Dr. (Smt.) U. V. Patil for granting the special permission for this visit.

Market Survey on Household Chemicals

8th March 2024

Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli) Department of chemistry last seven years conducting a short-term course 'Preparation of Household chemicals'. The duration of this course is 3 months. In this year 39 students were admitted to this course. Total 100 marks course having three papers i) Basic concept of Household chemicals ii) Mechanism, precaution and cleaning action of household chemicals iii) Practical paper. After completion of this course Students can prepare these chemicals and start their own business. To start their own business, they must know about the market condition. The purpose of this survey is to build up the marketing and communication skill to get self-employed.

To study the market demands students visits the general stores, medical stores in their surrounding and makes one survey about the quantity required per month. According to survey get the knowledge about hoe much household chemicals is required in their specific area. By knowing this information, they can start prepare these solutions at home and after that own business they can start. Two students of our department Kartik Arbune and Samarth Patil have started his own business of these chemicals. In this year students also made this survey got information by visiting the shops and made a survey on paper.

A one day workshop on "How to face campus drive interviews" was organised at Department of Physics, Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli) on 01/08/2023 in Collaboration with Department of English and IQAC. On the verge of placement drive organised by Department of Physics in collaboration of Placement cell and Kirloskar Brothers Limited, this workshop played crucial role in overall preparation of students for the interview.

Resource person Mr. Sushen Kamble explained etiquettes and manners to be followed while facing the interviews. The do's and don'ts while dressing up were well explained by the resource person. He promptly answered questions raised by students. **In Second session Dr. Lavate**, explained types of questions asked in questions and the answers expected by the interviewers, she talked about tricky questions, ways to handle and answer those questions.

I/C Principal Prof (Dr) Ujwala Patil in her presidential remark explained importance of campus drives. She appreciated efforts being taken by Physics Department for placement. She spontaneously explained various ways to impress the interviewer. It helped students to have thorough preparations for the interviews being conducted on 2nd August 2023. **Head Dr. G. R. Patil** offered vote of thanks. Ms. N. J. Kamble, Mr. P. K. Bhagyawant, Ms. B. P. Jamadade were present for the workshop.

Beneficiaries

**Space Science Day Celebrations
Program Report**

Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli) celebrated its first National Space Day with enthusiasm and educational zeal on 23rd August 2024. The event, aimed at fostering a deeper understanding of space science and its importance in national progress, was attended by students, faculty members, and space enthusiasts. Organized by the college's Department of Physics, the celebration focused on creating awareness about the advancements in space technology and the contributions of India to the global space community.

The celebration began with felicitation of resource person Dr. D. A. Nade, a prominent space scientist and professor at Arts, Science and Commerce College, Sangliwadi. Dr. G. R. Patil Head, Department of Physics enunciated prologue and introduced the resource person. In his knowledgeable speech, Dr. Nade spoke about India's rapid growth in space exploration, mentioning the recent successes of ISRO, including the Chandrayaan and Mars Orbiter Mission (Mangalyaan).

The first National Space Day at Dr. Patangrao Kadam Mahavidyalaya was a resounding success. It succeeded in igniting interest in space science and provided students with an opportunity to engage with experts in the field. Hon. Principal Prof. (Dr) U. V. Patil expressed presidential remarks. The vote of thanks was offered by Ms. B. P. Jamadade. The event not only celebrated India's achievements in space but also encouraged the next generation to take an active interest in the wonders of space exploration.

Beneficiaries

A total 45 Students & 4 faculty were present.

Program Outcomes

Hands on training of repairing of electric appliances to B.Sc. III students

Year: 2023-24

To improve practical skill, conceptual understanding, and analysis of the topic to improve overall development of students with these intentions our department took action and gives hands on training to B.Sc. III students on the topic maintenance and repairing of electric domestic appliances in month of 16th October in academic year 2023-24. The activity is conducted The main objective of this practices is to give hands on training of Maintainace and repairing of electrical home appliances like UPS, fans, mixer tube lights, radio, iron, fridge, oven, computer, LED/LCD bulbs to the B.Sc. III students. Students go to the nearby community for the free servicing of the domestic appliance that they have learnt during the training period.

Residential electrical maintenance is vital for the safety of your home and family, including ensuring the longevity of your household appliances. Neglected electrical maintenance has the potential to cause electrocution from sparks, electrical fires from short circuits, as well as damage to your appliances. Department of Physics gives the hands on training to students so they can easily acquire the knowledge of repairing. This activity worked as an on hands on training for students improving their skills and opening a whole new branch of electronics and Physics for exploration. It not only inspired students to work harder in order to excel in the field of physics but also assured that physics can be made easy if studies with proper understanding and right channel. The happiness of seeing something they studied only in classrooms with naked eyes on field hiked their interest and curiosity to the new levels.

The activity was conducted in presence of departmental faculty. During this activity trainer explained even the small things related to maintainace and repairing of electric appliances in very a nice way. Mr Kumbhar (Electrician) explained advantages of earthing and its applications he gives hands on training to all students about all electric equipment used in day to day life

Number of Beneficiaries: 10

A Report on Industrial Visit

Date -15/02/2024

On 15th of Feb 2024, Department of Physics organized a one day industrial visit to Pandurang Engineering Works, Burli under Industry-Academia Memorandum of Understanding. Total 31 students and 02 faculties visited Pandurang Engineering works situated near college.

In this industrial visit student of our department saw various machines used to make Shaft, Bearing and other Machine parts. It helped students in understanding the mechanism of how machines are handled and how various parts required as per order of company are designed and constructed.

In this industrial visit students were given information of utilization of their knowledge and skills for development of industrial sector of nation. Such activity is useful to interact the Technical and industrial officials and to acquaint students with need of industry sector.

Outcomes –

1. To understand the advanced technique used and required industries.
2. To prepare the student as per required skill in industry.

Beneficiaries –

Seminar Activity –Report

To motivate the students for higher studies and to promote stage daring, department of Physics organized a Seminar activity during year 2023-24. Coming either from rural or sub-urban background, many students hold good academic record and industrial skills but lack behind while expressing themselves. This small yet major drawback often hinders the achievements of students while campus placement.

Speaking about a Syllabus topic in seminars boosts the confidence of the students preparing them precisely for interviews and group discussions.

Seminar is a special time for a unique intellectual activity. It is focused but freeflowing, searching, questioning, going deeper to understand ideas from the text, from others and from within yourself. Most of the young graduates lack the confidence and fluency while interacting verbally. Seminar activity has been conducted dated 6th December 2023. Total 08 students and 3 faculties were present.

During this activity, B.Sc. III students delivered online seminars with help of Power Point Presentations (PPTs) at audio visual hall.

Outcomes:-

- 1) Improver oratory skills
- 2) Student gained confidence

Awareness Program on Gas Safety

An awareness program on gas safety was organized in Rayat Shikshan Sanstha's Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli) by Department of Physics and National Service Scheme (NSS) in collaboration with IQAC on 27th October 2023. The prologue of the session was expressed by Ms. A. B. Madavi. She elaborated the objectives and importance of gas safety awareness.

Mr. Yogesh Jadhav and Mr. Prakash Howal (Management officers of Gas suraksha Abhiyan) demonstrated the standard operating procedure of Liquid Petroleum Gas devices and safety measures to mitigate its effects. They elaborately explained the importance of using devices of standard quality in order to ensure safety. Participants actively participated in the demonstrations and their queries were answered by Mr. Yogesh Jadhav and Mr. Prakash Howal in the end of program. Vice Prin. Dr. K. B. Bhosale expressed presidential remarks on the session. Ms. N. J. Kamble offered vote of thanks. The awareness program was organized under guidance of Hon. I/C Principal Prof. (Dr) U. V. Patil.

Outcomes:

Hands on Training of Pearl Culture at Ransh Pearl Farming REPORT

Department of Zoology has conducted the Hands on training of Pearl Culture at Ransh Pearl Farming Aandhali. Now a days study the importance of pearl culture as a source of economic activity. In India, only 2 percent people has doing pearl farming. To encourage students in application oriented point of view to certain extent the training was conducted during 13/10/2023. The objectives of this training are to provide the students to understand the detailed knowledge to understand the role of pearl culture technician and progression pathway, identify species capable of producing pearl, its anatomy and theoretical base of surgical implantations, post-care and pearl culture operations. B. Sc. Students along with the all faculty have visited to Ransh Pearl Farm Unit at Aandhali, Palus for training.

Students were sincerely attended and get hands on training of procedure of nuclear implantation for pearl oyster and harvesting of pearl and ensure safety, hygiene and sanitation practices for culture operations. A total 17 beneficiary's students participated in this activity. Mr. Abhijit Mane Assistant Profesor, Head of Department of Zoology, Dr. Mrs. Ashiya Momin and Ms. Amruta Patil Assistant Professor took great efforts for the fulfilment of this task.

अहवाल - २०२३-२४

डॉ. पतंगराव कदम महाविद्यालय, रामानंदनगर (बुली) येथील मराठी विभागाच्या वतीने प्रा. डॉ. एन. डी. पाटील यांच्या द्वितीय स्मृतिदिनानिमित्त विशेष व्याख्यान आयोजित करण्यात आले होते. त्यावेळी प्रमुख पाहुणे प्रा. डॉ. प्रमोद गंगनमाले होते. "एन.डी. पाटील हे तात्त्विक भूमिका असणारे अभ्यासू नेतृत्व होते. कार्ल मार्क्स आणि महात्मा फुले यांच्या विचारांचा अप्रतिम संगम होता. आदर्शवादाने भारलेल्या एन. डी. पाटील यांनी शोषणमुक्त व न्याय्य समाजवाङ्मयीन कार्य करण्याचा निर्धार केला. त्यांनी शैक्षणिक आणि सामाजिक प्रश्नांचा बारकाईने अभ्यास केला. त्यांनी समाजातील तळागाळातील लोकांच्या हिताच्या रक्षणासाठी लढा दिला. एन.डी. पाटील यांनी लोककल्याणामाठी केलेली आंदोलने, मोर्चे आणि चळवळी यातून एक आदर्श नेतृत्वाचा वस्तुपाठ उभा केला. सर्वसामान्य जनतेच्या प्रश्नांशी निगडित आंदोलनात हिंसा उपयोगी ठरणार नाही. तेव्हा सत्य आणि अहिंसा या दोन तत्वांचा आधार घेत, त्यांनी आपली आंदोलने यशस्वी केली." असे मत प्रा. डॉ. प्रमोद गंगनमाले यांनी मांडले. "

अध्यक्षीय मनोगतात प्र.प्राचार्य, डॉ. वृज्जी पाटील म्हणाल्या, "प्रा. एन. डी. पाटील यांनी शोषितांना शोषणाच्या विळखातून मोकळा करणारा विचार दिला. खेड्यापाड्यांचा विकास आणि शेतकऱ्यांचे कल्याण व्हायचे असेल तर निकोप सहकारी संस्था निर्माण झाल्या पाहिजेत. सर्वसामान्य कष्टकरी शेतकऱ्यांच्या प्रश्नांसाठी एन.डी.नी आधुनिक शासनाबरोबर लढणारा एकमेव नेता म्हणून एन. डी. पाटील यांचा उल्लेख करावा लागेल. यावेळी प्रास्ताविक प्रा.डॉ. दिलीप कोने यांनी केले. पाहुण्यांचा परिचय व स्वागत प्रा.डॉ.गौरी पाटील यांनी केले. तसेच आभार प्रा. सुनिता धोरबोले यांनी व्यक्त केले. सूत्रसंचालन प्रा. स्वाती मंगदूम यांनी केले.

निष्पत्ती : महाविद्यालयातील विद्यार्थ्यांना प्रा. डॉ. एन. डी. पाटील यांच्या सामाजिक कार्याचे महत्त्व कळाले.

Report of 'Field visit to local governance'

As a part of syllabus a group of students with Dr. Sant. P. B. Patil, Dr. A. S. Kamble and Mr. S. R. Kundle visited to the Gram Panchayat Punadi, Tal. Palus, Dist. Sangli at Thursday 22nd February, 2024 for the gain insights into the local governance structure and understand the budgetary processes involved. The primary goal of the visit was to provide students with a practical understanding of how Gram Panchayats manage their finances and allocate resources to address local needs. In this visit government appointed officer (Gram-sevak) was presented Gram Panchayat's budget, showcasing revenue sources, expenditure categories and allocation priorities. A notable portion of the budget was allocated to essential services like healthcare, education, and infrastructure development. The primary sources of revenue were identified as local taxes, government grants, and contributions from various state and central schemes. He also discussed challenges faced in revenue collection and strategies employed with us.

Expenditure was categorized into different sectors, with a focus on grassroots development. The allocation for education included funds for school infrastructure, teacher salaries and educational programs, reflecting a commitment to enhancing local education. The Gram Panchayat emphasized the importance of community involvement in decision-making processes, especially during budget planning. Residents had opportunities to voice their opinions during Gram Sabha meetings, influencing budget priorities that align with community needs.

Challenges such as limited funds, infrastructure gaps and bureaucratic procedures were acknowledged by the Gram Panchayat. Opportunities for improvement were identified, including exploring collaborations with local NGOs and leveraging technology for more transparent financial management.
